**Robert G. Healy, John S. Rosenberg : Land Use and the States (RFF Natural Resource Management Set)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Land Use and the States (RFF Natural Resource Management Set):

An enlarged and revised book which looks at some programs of state land use control. Focusing on the problems that

have caused the public to demand such controls, on the variety of legislative responses, and on the problems of implementation that arise, this study presents a rationale for the role of the state government in the land use field. Originally published in 1979
