By Anna Kasabian Well written, thorough book. 0 of 3 people found the following review helpful. Average By SPARKY0210 The book seems very basic to me and not as good as other books that I have read. It does go into detail about evictions. Several of the laws at the back of the book deal with mobile home parks etc.

Discusses the need for security deposits Explains landlord rights and responsibilities Covers information regarding subleases Clarifies eviction procedures
