I am an attorney who practices in this area. I recommend this book to clients and friends as a succinct and well-written version for non-lawyers to understand Landlord-Tenant law in Washington.

Do you know your rights? Whether you rent, or rent out, you should be aware of how the law protects your often precarious position. This book offers, in clear and understandable terms, an explanation of the Washington Residential Landlord-Tenant Act, as well as remedies available to both parties in a rental dispute.
