**Maureen Harrison, Steve Gilbert : Landmark Decisions of the United States Supreme Court VI** before purchasing it in order to gage whether or not it would be worth my time, and all praised Landmark Decisions of the United States Supreme Court VI:

Volume VI of "Landmark Decisions of the United States Supreme Court" covers ten cases on the Aaron Burr

conspiracy, Dartmouth College, women's work, the right to bear arms, the "sick chicken" case, the law of war, un-American activities, "one person, one vote," the Presidential line item veto, and the right to die.
