Karl-Nikolaus Peifer : Lauterkeitsrecht: Das Wettbewerbsrecht Uwg in Systematik Und Fallbearbeitung (De Gruyter Studium) (German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lauterkeitsrecht: Das Wettbewerbsrecht Uwg in Systematik Und Fallbearbeitung (De Gruyter

Studium) (German Edition):

The 1st edition of this textbook experimented with a new format: cases and exercises were interwoven with systematic explanations of the German Act against Unfair Competition. For students focused on competition law as well as for practitioners in this field, this structure enabled problems to be viewed in a systematic context. The second edition has updated the materials in accordance with the latest status of the law and its interpretation.
