**Ralph Reisner, Christopher Slobogin, Arti Rai : Law and the Mental Health System: Civil and Criminal Aspects (American Casebook Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and the Mental Health System: Civil and Criminal Aspects (American Casebook Series):

0 of 5 people found the following review helpful. False DescriptionBy AJThe binding is already falling apart- very poor condition and was not described this way in the description1 of 4 people found the following review helpful. Law The Mental Health System - A ReviewBy A CustomerGood coverage of the caselaw when it was published in 1998,

but much has happened in the mental health area of law since then. The clinical studies and theories were hopelessly outdated when the text was published, and are today so dated as to do a disservice to the reader. Until this text is updated, especially in the clinical areas, I cannot recommend it. 0 of 0 people found the following review helpful. no bones about it...By A Customerthis law book is bone dry, and delivers exactly the information, and nothing but the information the authors set out to address-- not a pleasure reading book, but a fascinating read and illuminating subsidiary to my class.

Noted authorities, professors Ralph Reisner and Christopher Slobogin, interpret the legal doctrine relating to the regulation of mental health professions. Their analysis is augmented by coverage of relevant empirical and clinical literature. The relationship between society and the mentally disabled is also explored.
