**Doyice J. Cotten, WOLOHAN JOHN : Law for Recreation and Sport Managers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Law for Recreation and Sport Managers:

0 of 0 people found the following review helpful. Excellent for Law's Application to SportBy Racerd3All Sport Management students, students looking to work in the legal aspects of sports, or anything similar should have this book in their library. It covers all aspects of Law and their application to sport. The book gives a lot of court cases to further the author's points and objectives. Very detailed and does the best job of covering all of Law and how Law is applicable to sport.0 of 0 people found the following review helpful. When the book arrived, the cover was almost completely ...By CustomerWhen the book arrived, the cover was almost completely torn off and many of the pages were bent so I had to tape it myself so it was usable. Along with this, there were tons of paperclips still inside the pages and I continued to find more as the semester went on.0 of 0 people found the following review helpful. Five StarsBy CustomerGood for school

Sports are hot, and getting hotter; college sports, professional sports, women's and men's sports, recreational sports, and activities of all kinds! Now more than ever, there is a need for well educated and well prepared recreation and sport managers. "LAW for Recreation and Sport Managers" addresses all the legal concepts within sport-related businesses and activities. Written in non-intimidating, easy-to-read language, this text is ideal for undergraduate or graduate courses in sport or recreational law. Many use it as an informative practical reference. The third edition of "LAW for Recreation and Sport Managers" is the most readable and timely edition yet. All the chapters have been

revised and updated. Several new chapters and topics have been added, including: Property and Environmental Law; Business Structure and Legal Authority; International Law; Environment and Legislation; Criminal Liability for Violence in Sports; Details on Event Security since 9-11; and Nuisance Law.

"This text with ancillary material is great for the undergraduate level hitting the key issues and concerns while the case studies bring it to life. Haven't found anything better for this level." William Kuchler Lynchburg College
