Charles Alan Wright, Mary Kay Kane : Law of Federal Courts (Hornbook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Law of Federal Courts (Hornbook Series):

1 of 1 people found the following review helpful. I Love Charles Alan WrightBy PlatoWright's work is more technical than Glannons, but I used it for my civil procedure class, and I did extremely well in that class. I would buy both.

Offers practical guidance and comprehensive coverage on all aspects of federal court jurisdiction and litigation procedure, as well as the relationship between the state and federal courts. Text reviews the federal judicial system; judicial power of the United States; diversity of citizenship; venue; pleadings, trials, and judgments; and appellate

court jurisdiction.
