**Richard D. Freer : Law School Legends Civil Procedure (Law School Legends Audio Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Law School Legends Civil Procedure (Law School Legends Audio Series):

Worth every dollar - FREER's book and this audio set - highly rated By Inez P. Petersen I bought this CD set by mistake, but a higher power must have been in charge, because this FREER audio set is fabulous. You won't be wasting your money if you buy this set. Freer is a great teacher, he speaks clearly, explains concepts well, and relates one case to another in a way that makes it easy to see the big picture as case law evolves. I have spent a bundle on 1L supplements of all kinds, Freer's Civ Pro audio CDs go in the "most useful" pile. And I highly recommend his Civ Pro book as well. I would not be in law school except for some rich developers who filed a SLAPP suit against me. For videos of the evening the plaintiff attacked me on the record of the Renton city council, go to Google and search for Bernie Dochnahl, Randy Corman, or my name. 0 of 0 people found the following review helpful. Extremely Useful Resource - Definitely Recommend! By Janine M. Great tool for learning the concepts! And Freer, who lectures on the CDs, makes the topic engaging and interesting. Easy to listen to and not get bored with. Definitely recommend!!
