**Mary Anne Snell : Lovers, Liars, and Lawyers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lovers, Liars, and Lawyers:

1 of 1 people found the following review helpful. A PAGE TURNERBy Jessie CrookWhat a life! Mary Anne Snell has not sugar-coated the choices she's made in her many relationships with men. To say she never deserved any of the terrible treatment she suffered is an understatement. This life story is a page turner. No reader should begin this book until they have time to finish it..very difficult to put down!Jessie Crook; Naples, Florida0 of 0 people found the following review helpful. Really Wanted To Like This Book . . .By SylviaVery poorly written book. Many disjointed

sentences and unbelievable feats while suffering such "intense neck pain." I would not recommend this as movie material. 1 of 1 people found the following review helpful. Wow what a life Mary Anne has had! From ...By LindyWow what a life Mary Anne has had! From being an abused wife to single mother and being an entrepreneur through it all! In this book she shows how perseverance and a positive attitude can get you through the toughest obstacles in life! I could not put the book down until I was finished. You should give this book to every woman in your life. They will thank you for it!

You name it-this story has it. It is fantastic, lurid, terrifying, and awe-inspiring. Mary Anne struggles to overcome the treachery of doctors and lawyers bribed by her husband, Edsel, in the court battles that ensued. She has ongoing health problems and will never be the same as she was before she met Edsel. Justice was not done.
