John P. Marren, Aspen Health Law Compliance Center : Managed Care Law Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Managed Care Law Manual:

Managed Care Law Manual is a unique legal guide specific to managed care filled with the facts health care attorneys, managed care organizations, and health care administrators need to make informed choices. This legal guide will help you know not only your legal obligations, but also those of your contracting partners, employers, third-party payers, physicians, and others so you can form the joint alliances that will be essential in the health care reform days ahead. This manual is always current with twice a year updates.
