**George B. Moseley III : Managing Legal Compliance In The Health Care Industry** before purchasing it in order to gage whether or not it would be worth my time, and all praised Managing Legal Compliance In The Health Care Industry:

1 of 1 people found the following review helpful. This textbook is serving as a companion to my course ...By John RogersThis textbook is serving as a companion to my course on Healthcare Compliance. It is often verbose and hard to follow. Sections of multiple chapters are so disorganized that it required me to take separate notes to organize my learning experience. I would definitely look elsewhere for a reference textbook on this subject.2 of 2 people found the

following review helpful. It's a school book; but, it's a tough read. By Luanne Anderson It's a school book; but, it's a tough read. 2 of 2 people found the following review helpful. Five Stars By K. Watkin excellent for compliance exam

The pressures are mounting for healthcare organizations to comply with a growing number of laws and regulations. With the passage of the Affordable Care Act, sophisticated compliance programs are now mandatory and the penalties for noncompliance are more severe. Increasingly, those who are trained in the fundamentals of healthcare laws and regulations and the complexities of designing and running compliance programs will be in high demand. *Managing Legal Compliance in the Health Care Industry* is a comprehensive resource that will prepare you to build and manage successful compliance programs for any healthcare service or industry. In three sections, this unique title first examines all the key laws and regulations with which healthcare organizations must comply. In section two, the author explores in detail the seven essential ingredients for a good compliance program. In the final section, the book explains how the compliance program must be adapted to the special needs of different types of healthcare organizations. Designed for administrators and legal counsel in health care organizations, as well graduate-level students in programs of public health, health administration, and law, *Managing Legal Compliance in the Health Care Industry* is filled with highly practical information about the ways that legal violations occur and how good compliance programs function.

**Key Features:**

- Examines in detail the current laws and regulations with which all types of healthcare organizations must comply
- Explores the seven essential ingredients for a good compliance program
- Looks at compliance programs within twelve different types of healthcare organizations
- References real-world cases of fraud and abuse
- Includes Study Questions and Learning Experiences in each chapter that are designed to encourage critical thinking
- Accompanied by a Navigate Companion Website that offers an interactive glossary, a list of current compliance events, downloadable documents, and a reading list.
