David L. Kent : Massachusetts Real Estate: Practice and Law (Massachusetts Real Estate: Practice Law)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Massachusetts Real Estate: Practice and Law (Massachusetts Real Estate: Practice Law):

6 of 6 people found the following review helpful. should never have been sold....By apmsmomThis is a dated version of the textbook and not useful at all for the MA license exam. It's currently 2 versions behind, useless for testing and studying and shouldn't be sold without a note to let folks know it's behind, does not have current MA law and could not be used to study for the exam.0 of 0 people found the following review helpful. Five StarsBy lisaIts a great book.
