**Institute of Medicine, Division of Health Promotion and Disease Prevention, Committee to Study Medical Professional Liability and the Delivery of Obstetrical Care : Medical Professional Liability and the Delivery of Obstetrical Care: Volume II, An Interdisciplinary Review** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Professional Liability and the Delivery of Obstetrical Care: Volume II, An Interdisciplinary Review:

The second volume of an overall look at the "malpractice crisis" sheds fresh light on the civil justice and insurance systems, medical liability issues, and their combined effect on health care for mothers and children. Topics include the liability implications of the rising rate of Cesarean sections, an evaluation of the American Medical Association's proposed alternative to the justice system for resolving medical liability disputes, and a review of legislative proposals under consideration.

About the Author Victoria P. Rostow and Roger J. Bulger, Editors; Committee to Study Medical Professional Liability and the Delivery of Obstetrical Care, Division of Health Promotion and Disease Prevention
