In the incredibly giftable little book Michelle Obama, readers get an inside look at the remarkable First Lady of the United States. Michelle Obama is a strong role model for women everywhere. She grew up on the South Side of Chicago, and graduated from Princeton University and Harvard Law School. She would later meet her future husband (and our future president), Barack Obama, at the Sidley Austin law firm. This is her story and this is history in the making. Amazing candid photos and insights make this Little Book a big must-have for any American.
