Budget, Office Move Tips and a Detailed Office Relocation Checklist:

Move Your Office: How to Find the Right Space for Your Business, Negotiate the Lease Terms and Manage a Successful Office Relocation is THE definitive resource for busy professionals like you who need to plan, execute and manage their next office move seamlessly - and look good doing it, too!

Commercial Realtor 'Writes the Book' on Office Relocation Karen Warner has written and published a book titled Move Your Office: THE #1 Source for Pulling Off Your Best Move Ever! The well-organized and instructive book includes timelines and checklists for choosing a new office, as well as for budgeting and coordinating the move. Warner has 15 years of experience in the commercial real estate field and is an office broker for Colliers International in Boise, Idaho. Move Your Office is Warner's third book; she has also written Winning the Office Leasing Game and the Office Relocation Planner. According to Warner, because the cost of leasing space is one of a business's biggest expenses, in most cases second only to payroll, getting the best value for that expenditure is critical. Finding the right space, negotiating the most competitive lease terms and organizing a successful move are critical components of a thriving business. Move Your Office is a practical reference that can make all the difference in planning, managing and executing your next office move. --Idaho Business , October 30, 2006
From the Inside Flap
Thank you for providing such thorough and succinct information. Move Your Office is well-organized and an excellent tool for anyone considering a move. -- Marjorie Cunningham, CEO, Ventana Advisors
Terrific resource! Move Your Office was invaluable -- we followed its advice to the letter and our move went extremely well. -- Lawrence DeMarco, Attorney, Capital Law Partners
Move Your Office is so thorough, you don't miss any important steps, and it helps with the timing of those steps. Thanks to this book we are so confident everything was done, it made the process of moving much less stressful. -- Wayne Heus, Regional VP, BI Performance Services
Whether moving across town or across the street, Vision Publications has a blueprint that will make any business relocation smoother. -- Indiana Business
