He gives you something about God to think about, something about you to think about, and something about your relationship to think about. Most devotionals are too weak-sauce for me. I tend to like the deeper ones like The Business of Heaven: Daily Readings from C. S. Lewis or God Grant It: Daily Devotions from C. F. W. Walther But, even if you don't like the deeper devotionals, Chambers still does a great job of finding a middle ground. He goes deep to give you something to think about. But, does a great job with imagery and explanation as well if you don't want to swim in the deep matters alone. Each day is based off of just one Bible verse, but I encourage you to look up the passage. He typically adds more from the passage's main idea. And, it gives you a better grasp on the topic of the day. 0 of 0 people found the following review helpful. The best way to start your day!By Bookman McCoyThe best way to start your day. Chambers works through Scripture to help you understand God and what God has planned for you and for this world. Mr. Chambers will challenge you while explaining to you passages you might not have understood. With his teaching and encouragement, you should be able to know the peace that passes understanding and live the life that God wants you to live. 1 of 1 people found the following review helpful. Best Christian devotional of all time; a must have companion to the Bible.By WandaThis devo is the best Christian devotional EVER! And the "Updated Edition" makes it even better in small ways, easier to

understand. Next to the bible this is the most read devotional. Each year we read it, and each year find deeper and deeper meaning. I highly recommend it and am always happy to order more to offer as gifts to anyone who wants to deepen their walk with the Lord. Pricing and quality is of course superb on , whether buying new or used.
