From Government Printing Office : National Parks: Index: 2012-2016 before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Parks: Index: 2012-2016:

This index is a complete administrative listing of the National Park Systems areas and related areas, including historical documentation to distinguish between the types of National Park Service sites.. It has been revised to reflect congressional actions. The entries, grouped by state, include administrative addresses and phone numbers, dates of authorization and establishment, boundary change dates, acreages, website addresses, and brief statements explaining

the areas national significance. PLEASE NOTE: This book is not intended as a guide for park visitors. This resource should provide beneficial information to historians, especially State historians. Based on the historical value of content contained in this volume, public, academic, special, and state libraries should have a copy of this resource in their historical reference collections.
