From AILA : Navigating the Fundamentals of Immigration Law: Guidance and Tips for Successful Practice, 2009-10 Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Navigating the Fundamentals of Immigration Law: Guidance and Tips for Successful Practice, 2009-10 Edition:

Navigating the Fundamentals of Immigration Law provides basic, "how to" information on family-sponsored and employment-based immigration, as well as select nonimmigrant visa categories.
