**George J Kenny, Frank A Lattal : New Jersey Insurance Law 2017** before purchasing it in order to gage whether or not it would be worth my time, and all praised New Jersey Insurance Law 2017:

New Jersey Insurance Law provides comprehensive, accurate and in-depth information about insurance policies, issues and law in New Jersey. This annual paperback provides the most updated information in the most reader-friendly format"Particularly useful are the chapters on specific types of policies. In this area, perhaps, the book achieves its ultimate purpose of bringing together in one place the many disparate threads of insurance practice." --

Steven M. Richman, Duane Morris, LLP, New Jersey Law Magazine "This book provides a comprehensive overview of the key precedential developments in insurance coverage law and is a fundamental starting point for all aspects of research and knowledge in this practice area." -- Kimberly M. Parson, of Smith, Stratton, Wise, Heher Brennan, LLP
