Bruce R. Hopkins, Virginia Gross : Nonprofit Governance: Law, Practices, and Trends before purchasing it in order to gage whether or not it would be worth my time, and all praised Nonprofit Governance: Law, Practices, and Trends:

0 of 0 people found the following review helpful. Comprehensive and well organizedBy Andrew C. GoreshAnyone working with non-profits, serving on a non-profit board or considering board service should consider this a "must read". It is organized in a logical fashion, offers comprehensive coverage of the topics with useful examples and ample citations. With the citations it provides a resource for those who desire even more information. It's a good introduction to its subject and a great reference to keep on hand.

Nonprofit Governance Law, Practices Trends Governance seems to be the subject that is perched atop every nonprofit lawyer's worry/wish list, despite the fact that there is not much law on the point, particularly at the federal level. This ascension in importance is largely due to the various organizations propounding best practices and principles for public charities and other forms of nonprofit organizations, the IRS's redesigned Form 990, the agency's aggressive push of certain good governance principles in the tax-exempt organizations' setting, and scandals brought to light by the Senate Finance Committee staff. Stemming from the authors' endless hours of meditating over the new Form 990 and sifting through the many (and often inconsistent) best practices principles, Nonprofit Governance fills the need for some cohesion in the realm of nonprofit governance by providing in-depth coverage and explanations of the laws, practices, and trends in this volatile area. An invaluable resource for nonprofit executives, officers, directors, nonprofit lawyers, accountants, members of boards of directors, and consultants, legal experts Bruce R. Hopkins and Virginia Gross's Nonprofit Governance brims with detailed documentation and references to regulations, rulings, cases, and tax literature (which includes current articles and tax law review notes). Here, readers will find a wealth of clarifying information on: Federal and state law fundamentals Board member responsibilities and liability Nonprofit governance principles Nonprofit governance issues Application of the private benefit doctrine Governance and the redesigned Form 990 Recommended polices and procedures Governance case studies Governance legal audit A law primer for nonprofit board members And much more The book includes an exhaustive index, Internal Revenue Code citations and numerous case studies, tips, forms, and checklists to round out the authoritative coverage. Nonprofit Governance is an indispensable guide to, and through, all of the governance policymaking that is unfolding, to improve the management of nonprofit organizations as well as to help organizations be in compliance with nonprofit governance law.

From the Inside Flap Governance seems to be the subject that is perched atop every nonprofit lawyer's worry/wish list, despite the fact that there is not much law on the point, particularly at the federal level. This ascension in importance is largely due to the various organizations propounding best practices and principles for public charities and other forms of nonprofit organizations, the IRS's redesigned Form 990, the agency's aggressive push of certain good governance principles in the tax-exempt organizations' setting, and scandals brought to light by the Senate Finance Committee staff. Stemming from the authors' endless hours of meditating over the new Form 990 and sifting through the many (and often inconsistent) best practices principles, Nonprofit Governance fills the need for some cohesion in the realm of nonprofit governance by providing in-depth coverage and explanations of the laws, practices, and trends in this volatile area. An invaluable resource for nonprofit executives, officers, directors, nonprofit lawyers, accountants, members of boards of directors, and consultants, legal experts Bruce R. Hopkins and Virginia Gross's Nonprofit Governance brims with detailed documentation and references to regulations, rulings, cases, and tax literature (which includes current articles and tax law review notes). Here, readers will find a wealth of clarifying information on: Federal and state law fundamentals Board member responsibilities and liability Nonprofit governance principles Nonprofit governance issues Application of the private benefit doctrine Governance and the redesigned Form 990 Recommended polices and procedures Governance case studies Governance legal audit A law primer for nonprofit board members And much more The book includes an exhaustive index, Internal Revenue Code citations and numerous case studies, tips, forms, and checklists to round out the authoritative coverage. Nonprofit Governance is an indispensable guide to, and through, all of the governance policymaking that is unfolding, to improve the management of nonprofit organizations as well as to help organizations be in compliance with nonprofit governance law. About the Author BRUCE R. HOPKINS is a senior partner with the firm Polsinelli Shughart PC. He is also the author or coauthor of more than twenty-five books, all published by Wiley, including *The Law of Tax-Exempt Organizations*, Ninth Edition; *The New Form 990*; and *Nonprofit Law Made Easy*.
