**C. Barrett Graham : North Carolina Fire Law** before purchasing it in order to gage whether or not it would be worth my time, and all praised North Carolina Fire Law:

0 of 0 people found the following review helpful. Great referenceBy treyThis book is an amazing reference for anybody in an administration position of a emergency services agency! I am constantly picking this book up to find some quick legal information. Great buy for any firefighter or EMT!0 of 0 people found the following review helpful. Dont waist the timeBy Michael Johnsonused it for an associates degree class and found it to be less than useful, save the cash and just perform a search on the net to get the correct info your looking for.0 of 0 people found the following review helpful. North Carolina Fire LawBy Tops1985I had to have this book for college. It was a dry read, but very informative. I will keep this book a reference. It is worth more then I anticipated.

North Carolina Fire Law targets the key legal issues confronting the state's firefighters, ranging from civil liability conflicts to the general statures that provide punishments for various types of unlawful burning. It tells firefighters what they need to know about avoiding both fires and lawsuits. Concise instruction is provided on: investigations, inspections, apparatus operation, mutual aid, nonprofit corporate activities, finance and district organization, employment law, benefits, and hazardous materials operations.

"an excellent guide" -- Carolina Fire JournalAbout the AuthorC. Barrett Graham is an attorney at law and a N.C.

certified Firefighter Level II, Fire Service Instructor Level III, and Fire/Arson Investigator (CFI).
