Stephen Mettling, David Cusic, Ryan Mettling : North Carolina Real Estate License Exam Prep: All-in-One Review and Testing To Pass North Carolina's PSI Real Estate Exam before purchasing it in order to gauge whether or not it would be worth my time, and all praised North Carolina Real Estate License Exam Prep: All-in-One Review and Testing To Pass North Carolina's PSI Real Estate Exam:

1 of 1 people found the following review helpful. Five Stars By Edward James Ross III Fast delivery great product 3 of 5 people found the following review helpful. Not a study guide By Kelly Layburn My instructor did not offer opportunity to get study notes together to learn the material so I bought this book thinking it would have a complete

summary of each chapter in the NC Real Estate book to use as study notes/guide. IT DOES NOT. The very brief summaries the book does have is not by chapter but rather topic and VERY incomplete. I did not get to the point to where I could review the testing questions, since I could not get study material together to get that far. I guess it is back to the 12 hour day plan where I manually put the study guide together myself. I had to drop the course since the schedule does not allow time to do the instructors job as well as my own as a student. I was trying this book as a last resort. It didn't work for me. 1 of 2 people found the following review helpful. Good book By Jennifer Campbell Good information - helped

Features of North Carolina Real Estate License Exam Prep, 2nd Edition (NC-RELEP): National Principles Law Key Point Review (45 pages) Real Estate Math Key Formula Review Practice (20 pages) North Carolina-Specific Laws and Regulations Key Point Review (24 pages) National Practice Tests (500 questions) North Carolina Practice Tests (130 questions) North Carolina Sample Exam (105 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the North Carolina Real Estate License Exam Prep (NC-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works or fails to work. NC-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is North Carolina-specific not just simplistic national content, but terse, relevant and accurate North Carolina laws and regulations presented as a well-organized set of state key point reviews ideal for pre-test memorization. But let's not dismiss the importance of the national content either. NC-RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by PSI for North Carolina. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your North Carolina license exam. A word about the test questions NC-RELEP's testing practice section consists of ten national practice tests, three state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 105 questions. The test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or rationale to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your North Carolina real estate exam. So good luck!! Note: For North Carolina students looking for a comprehensive real estate principles textbook, we also publish Principles of Real Estate Practice in North Carolina
