James Wickersham : Old Yukon: Tales, Trails, and Trials (Classic Reprints) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Old Yukon: Tales, Trails, and Trials (Classic Reprints):

0 of 0 people found the following review helpful. Five StarsBy pjhbThis provided keen insight into a man who is a fascinating native of the flat Illinois prairies.0 of 0 people found the following review helpful. Five StarsBy A. Elinsgood book... we love hunting fishing adventure!!!0 of 1 people found the following review helpful. Journal itself was interesting, intro too lengthyBy PatThe beginning of the book was the authors description about the judge. This

seemed to be very redundant. Once you started reading the judges journal, this was more interesting.

In this humorous and upbeat memoir, James Wickersham describes his career as a pioneer judge and later as a congressional representative assigned to a vast, snow-covered district, extending over 300,000 square miles in the undeveloped Alaska Territory. Wickersham's many adventures include traveling by dogsled over hundreds of miles through snow-covered mountains; serving as judge for the trials of many famous outlaws in the midst of the gold strikes; and hunting, mining, and climbing in his local Alaska wilderness. Though he was instrumental in the early history of Alaska, and his legacy is evident throughout the state for example, he named the city of Fairbanks this is the first and only work to focus on Wickersham's life during this pivotal time in Alaska's history.

About the Author James Wickersham (1857-1939) was a statesman, author, historian, and scholar. He was born near Patoka, Illinois and moved in 1883 to Tacoma in the Washington Territory.
