Caress Garten : **On Behalf of Innocents: A True Story of a Mission, Faith, and a Promise Fulfilled** before purchasing it in order to gage whether or not it would be worth my time, and all praised On Behalf of Innocents: A True Story of a Mission, Faith, and a Promise Fulfilled:

On Behalf of Innocents is a moving and powerful book. A timely story of goodness and evil, exposing the criminal world of the dogfighter. A testimony to faith, hope, laughter, the people we elect, and that in the United States one person can make a difference. Sometimes the beginning of a mission is hard to spot, but that is what happened on a somber November day in a public park. The mission would be on behalf of children who are the greatest victims of dog attacks. Caress was given the gifts to succeed in this prayed-for mission to serve children. With continued faith she has written On Behalf of Innocents to educate and prevent devastating dog attacks. Her successful effort to hold owners of vicious dogs accountable for any aggressive behavior has turned Caress Garten's personal nightmare into a community victory.
