**Edward Bennet Williams : One Man's Freedom** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Man's Freedom:

0 of 1 people found the following review helpful. Five StarsBy CustomerExcellent

Originally published in 1962, One Mans Freedom is the autobiography and personal philosophy of legendary attorney Edward Bennett Williams. At the time of publication, the book was lauded by critics and ranked fifth on national

bestseller lists. Written in clear, strong language, *One Mans Freedom* is the ardent expression of Edward Bennett Williamss passionate belief in a defendants Sixth Amendment right to competent counsel and the threat to civil liberties posed by overzealous law enforcement and an indifferent public.
