**From Brand: T.M.C. Asser Press : OPCW: The Legal Texts: 2nd Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised OPCW: The Legal Texts: 2nd Edition:

The 1997 Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction (CWC) bans an entire category of weapons of mass destruction. The CWC has now been in force for more than a decade, and has achieved almost universal adherence. To achieve its objectives, the CWC established the Organisation for the Prohibition of Chemical Weapons (OPCW). This second edition of OPCW: The

Legal Texts brings together the text of the Convention, the interpretative decisions and understandings reached by the organs of the OPCW, policies, rules of procedure, regulations, the conclusions of the two reviews undertaken by the States Parties of the operation of the Convention and key background texts. The volume provides a comprehensive overview of the Convention regime, as it has developed over the last decade.
