Bertrand Rossanet : Peacemaking and Peacekeeping in Yugoslavia (Series of Legislation in Translation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Peacemaking and Peacekeeping in Yugoslavia (Series of Legislation in Translation):

Bertrand de Rossanet is the pen name of a senior international civil servant who has been involved in negotiations and other activities carried out by the International Conference on the Former Yugoslavia from its earliest days. In this fascinating short book, which fits well into the Nijhoff Law Specials series, he describes and analyses the events which have taken place since 1992 with great skill, and with an understanding shared by few. Bertrand de Rossanet's long experience, together with his inside knowledge, provides a vantage point from which unique observations can be made. Nobody who wishes to comprehend the peacemaking and peacekeeping processes being played out in the former Yugoslavia, should miss reading this very special volume.
