**Edward F Cousins : Pease Chitty's Law of Markets and Fairs: Sixth Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pease Chitty's Law of Markets and Fairs: Sixth Edition:

Established since 1899 as the standard legal work of reference and vital to UK lawyers, legal officers in local government, market officers, and private market operators, Pease and Chitty's Law of Markets and Fairs includes coverage of the government consultation paper on the market franchise rights, appendices on model by-laws, model regulations and precedents, and full coverage of UK and European case law and developing legislation. This sixth edition contains complete coverage of case law over the last ten years since the previous edition. It includes coverage of the UK's Land Registration Act 2002, which introduced a reduction on overriding interests affecting franchises. All chapters have been updated and a new list of appendices produced.

Its importance as an authoritative work remains as high as ever. The Commonwealth Lawyer This is a surprisingly interesting book for Irish lawyers, local authorities and, to some extent, historians...Celebrate our common law tradition. Read this book. -- Robert Pierse Law Society of Ireland's Gazette It is essential reading for lawyers and legal officers in local government and private market operators. German-British Chamber of Industry and CommerceAbout the AuthorEdward Cousins, Door Tenant at Temple Tax Chambers is former Chief Adjudicator to the Land Registry.
