**Gary M. Brown : PLI's Guide to the Securities Offering Reforms** before purchasing it in order to gage whether or not it would be worth my time, and all praised PLI's Guide to the Securities Offering Reforms:

PLI's Guide to the Securities Offering Reforms shows you how these dramatic 2005 changes have expanded permissible communications in connection with registered offerings, clarified the liability framework applicable to such offerings under the Securities Act, and streamlined the securities registration process.
