**Stephen J. Small : Preserving Family Lands:Essential Tax Strategies for the Landowner** before purchasing it in order to gage whether or not it would be worth my time, and all praised Preserving Family Lands:Essential Tax Strategies for the Landowner:

0 of 0 people found the following review helpful. ... owners of family farms I found this much less useful than the product description suggestedBy Kenneth S. WheelockAs an attorney advising owners of family farms I found this much less useful than the product description suggested. It is fairly specific to one type of legal strategy and fairly specific to Massachusetts laws. While I live and practice law in Massachusetts it does not seem to offer solutions that would translate well to other states.4 of 6 people found the following review helpful. **WRONG BOOK**By T. BenderThe title given for this book is Small's **VOLUME THREE**. The images are of the second edition of his **VOLUME ONE**. I'd ordered a copy thru of vol 3, and received volume one. Beware!
