Leonardo R. Giacchino, PH.D. Jonathan A. Lesser, PH.D. : Principles of Utility Corporate Finance before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles of Utility Corporate Finance:

Principles of Utility Corporate Finance responds to recent changes in applied corporate finance and accounting that have created both opportunities and risks for regulated firms. Written for regulators, attorneys, energy industry professionals, and students in all of these fields. This book provides a comprehensive examination of a wide range of

topics such as cost allocation between regulated and unregulated entities, assessments of business and financial risks used to determine regulated rates of return, and the use and abuse of financial derivatives.

About the Author Dr. Leonardo R. Giacchino is a Partner at Solutions Economics LLC. Over the course of more than 20 years, he has worked in more than 30 countries on over 100 projects addressing economic and regulatory issues for U.S. and international businesses, investors, governments, and organizations. Dr. Jonathan A. Lesser is the founder and President of Continental Economics, Inc. an economic consulting firm that provides services on a broad array of market, regulatory, investment, and environmental issues affecting all segments of the energy industry. Prior to founding Continental Economics, Dr. Lesser was a Partner at Bates White, LLC, and Senior Economist at Navigant Consulting. He also held positions at several investor owned electric utilities, as well as energy policy positions in Washington State and Vermont.
