**Douglas J. Whaley, Stephen M. McJohn : Problems Materials on Payment Law, Ninth Edition (Aspen Casebook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Problems Materials on Payment Law, Ninth Edition (Aspen Casebook):

1 of 1 people found the following review helpful. Lots of short answer problems, but no way to verify your answers in the bookBy C. DodgeThere are plenty of example problems throughout the book, however all of the rules are not explained in the chapters. You have to use the code references in the problems to hunt for the answer and find the

nuance to the rule. Most of the time they're accurate, but some were out-of-date. I would have given it 5 stars if the answers were supplied, however since they were not, the book may be of limited use to students who otherwise don't have access to check their answers. 0 of 0 people found the following review helpful. I also do not like how it does not include an answer key for ...By P.H.PROFESSORS: Choose another book. Used this book for a class. It does not explain the concepts as thoroughly as needed. I ended up buying several supplements as study aids. I also do not like how it does not include an answer key for students who wish to self-check their answers. 1 of 1 people found the following review helpful. poor character developmentBy SC\_15Couldn't really follow the plot, poor character development. But when people see it on my shelf they assume I'm smart.

Through clear, concise writing and a problem-based pedagogy, this notably student-friendly "Whaley book" helps students to understand the statutory language of the Uniform Commercial Code, the Electronic Fund Transfer Act, and the Expedited Funds Availability Act. Problems and Materials on Payment Law, now in its Eighth Edition, features: the black-letter law of payment systems in clear and straightforward writing a logical and adaptable organization that follows the order of UCC Articles 3, 4, 4A, and 8 a problems-based pedagogy--a practical and expedient way to teach payment law a manageable length, at 416 pages significant Supreme Court cases New to the Eighth Edition: recent major cases involving check alteration statutory revisions that reflect a new Federal Reserve regulation allowing banks to return telemarketing checks to the depository bank A master at helping students to penetrate the sometimes-opaque language of statutory law, Douglas J. Whaley is the name that you trust to bring you concise, student-friendly, problem-based casebooks.
