Jim Bainbridge J.D. : PSI Real Estate Practice Exams for 2015-2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised PSI Real Estate Practice Exams for 2015-2016:

I bought this book and the exam prep book and studied it for a month, took the actual PSI practice exam (\$20) then took my exams. I passed both the state and the national Real Estate exams on the first try. Worked for me! The exams question are similar and the content covered valuable. Just be aware that you will likely encounter at least 5-10% of the real exam questions as what I call "wild hair" questions. Meaning they are bad questions, out of left field. Just expect that you won't know everything.1 of 1 people found the following review helpful. The guide is easy to use and very efficientBy ginaraeI purchased this and the Louisiana state study guides. It was the only study guides I purchased to pass the exams. I purchased it on Kindle so I could study on the go without the bulk of a book. The guide is easy to use and very efficient. I was able to pass the tests on my first attempt.2 of 2
