Jonathan M. Hoff, Lawrence A. Larose, Frank J. Scaturro : Public Companies (Corporate Securities Series)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Companies
(Corporate Securities Series):

In the wake of corporate scandals and diminished confidence in business and the financial markets, the need has never been greater for a handbook detailing how to operate a responsible public company. Public Companies is designed to aid directors, officers and general counsel of public companies and those intending to go public. More than just a how-to guide, it is a comprehensive examination of corporate governance, internal controls and law compliance requirements, as well as the many other issues one needs to consider to be a responsible corporate citizen. Coverage includes legal obligations, best practices, new developments and pragmatic approaches to common problems for start-up companies and well-established businesses alike. You'll get advice and analysis from start to finishfrom the decision to go public to organizing the corporation, doing an IPO and meeting ongoing reporting and registration

requirements. You'll learn all about setting up law compliance programs, implementing finance and accounting controls, complying with the regulatory scheme created by the Sarbanes-Oxley Act of 2002, and communicating with shareholders. You'll also find chapters on e-commerce, financially troubled companies and other important subjects. *Public Companies* is the complete guide for executives, lawyers and entrepreneurs dedicated to establishing or sustaining a responsible public company.

About the Author Jonathan M. Hoff is a partner in the Litigation Department in the New York office of Cadwalader, Wickersham Taft LLP. He has written extensively on securities and corporate litigation and counseling, current developments in mergers and acquisitions, the business judgment rule, and stockholder litigation. Mr. Hoff received his undergraduate degree from the University of California at Berkeley and his law degree from UCLA.
