From Nova Science Pub Inc : Public Housing and the Moving to Work Program before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Housing and the Moving to Work Program:

The Moving to Work (MTW) demonstration program was created by Congress to give the U.S. Department of Housing and Urban Development (HUD) and local Public Housing Authorities (PHAs) the flexibility to test alternative policies for providing housing assistance through the nation's two largest housing assistance programs: the Section 8 Housing Choice Voucher program and the public housing program. This book provides an overview of the history and purpose of the MTW demonstration program, followed by a description of some of the policies adopted by participating PHAs, and policy options for the future.
