From Nova Science Pub Inc : Public Housing: Background and Issues (Housing Issues, Laws and Programs)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Housing:

Background and Issues (Housing Issues, Laws and Programs):

The idea of a federal public housing program began taking shape in the 1930s during the Great Depression. This title examines the history of the federal housing program; policy issues; and, how it is administered and funded and the characteristics of public housing properties and the households they serve.
