Andrew Le Sueur, Maurice Sunkin, Jo Eric Khushal Murkens : Public Law: Text, Cases, and Materials before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Law: Text, Cases, and Materials:

0 of 0 people found the following review helpful. It is what it is..typical text.By C SamIt is what it is..typical text.

Public Law: Text, Cases, and Materials offers a fresh approach to the study of constitutional and administrative law by exploring how the law works in practice. The inclusion of extracts from key cases, government reports and academic articles demonstrates the law in action and the incisive commentary that accompanies them explains the significance of each. The expert authors have distilled their knowledge of the institutions and legal principles into concise, focused prose, and they encourage reflection through regular questions and hypothetical examples. This leading text provides students with a thorough and wide-ranging knowledge of public law, together will a full understanding of the

theoretical and political debates in this fascinating and dynamic area of law. Online Resource Centre This book is accompanied by an Online Resource Centre which provides a link to the authors' Twitter feed, web links to useful sites and, for lecturers, a test bank of multiple choice questions with answers and feedback.

from previous edition: "A really excellent account of the subject...a highly accessible, readable and engaging account of public law served up in a student friendly way." --Dr. Ed Bates, Public Law
