Dennis L. Dresang : Public Personnel Management and Public Policy before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Personnel Management and Public Policy:

0 of 0 people found the following review helpful. Nothing great or bad about itBy Scott FellersThis was for school, it did what it needed too. Nothing great or bad about it.1 of 1 people found the following review helpful. Great bookBy college chickIt is a nice book, minor highlighting/underlining but no bends or ripped pages; everything was legible. I would recommend to other students.0 of 0 people found the following review helpful. Five StarsBy Julia HarrisAwesome Book

This accessible and practical book is designed to illuminate the policy and personnel issues involved in all levels of public management in a format designed to keep students focused on the real world through use of cases and exercises. The new edition includes up-to-date coverage of new personnel management theories and state and local government.

From the Back CoverDresang, Dennis L., Public Personnel Management and Public Policy, 4th Edition*\ The latest edition of this highly praised book retains the characteristics that have made it a success: an accessible writing style, and an abundance of practical exercises and real life case studies. With an increased inclusion of research findings, this updated text continues to elucidate policy issues and professional practice in personnel administration at every level of government-state, local, and federal. For those interested in public personnel management and human resource

administration. About the Author Dennis Dresang is Professor Emeritus of Public Affairs and Political Science and founding director of the La Follette School of Public Affairs. His research focuses on state politics, public personnel management, and community issues. He has contributed to public service in a variety of ways: directing a research and public service seminar of La Follette School students examining community health issues and youth violence, chairing two major gubernatorial task forces, and serving on numerous tribal and local government commissions on human resource management issues.
