Richard Clements, Jane Kay : Q and A: Public Law 2007-2008 (Blackstone's Law Questions and Answers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Q and A: Public Law 2007-2008 (Blackstone's Law Questions and Answers):

The ideal revision aid, *QA Public Law* gives students the opportunity to practise their exam techniques and evaluate and assess their progress. The book is divided into chapters covering each major topic on undergraduate law courses, and contains around fifty questions and answers designed to test even the best prepared student. Each chapter contains an introduction focusing on important legal aspects, and a flowchart is used to illustrate how to tackle questions on judicial review. After every question there is a commentary highlighting key points, followed by bullet-pointed answer plans, and finally a model answer. The authors discuss the most effective techniques for writing examination answers and tackling legal problems, showing exactly what the examiners are looking for. The authors have a long and varied experience of teaching constitutional and administrative law and related subjects at different universities. Jane Kay is now Assessments Tutor at the University of the West of England and is very much in touch with how examinations are set and marked. Online resource centre *QA Public Law* is accompanied by an Online Resource Centre providing annotated web links and a glossary of terms from the Dictionary of Law.
