0 of 0 people found the following review helpful. An Exceptional Antitrust Study Guide By Brian This book has an excellent selection of questions that will challenge even the practiced attorney. Having the answers and the explanation, as to why the answer is the correct choice, is a tremendous help with retaining the information. The book is not just an educational tool, it is also an entertaining way to learn and retain the important elements of seminal cases. Having a hard copy version makes it easy to highlight key terms and salient points made by the courts. 0 of 0 people found the following review helpful. One Star By Customer it's not useful, and something is out of date. Sham it.
