I know that it gets the job done, as after completing, I asked my attorney to check it over. I decided to update my will as some of my assets have changed and am pleased with this purchase.0 of 0 people found the following review helpful. Here's more about the documents you can make with Quicken WillMaker Plus 2017: **Your Will** The heart of every estate plan is a will, also known as a last will and testament. This legal document puts you in control of who inherits your property and who would take care of your children if it were ever necessary. Without a will, state law determines these issues. Your will also allows you to name an executor (sometimes called a personal representative) to carry out our wishes. And you can appoint a trusted person to manage property left to young people. With Quicken WillMaker Plus, you can revise and update your will whenever you like. **Your Health Care Directive** Spare your loved ones difficult decisions by laying out your wishes for medical care (living will) and naming someone to carry out your instructions (power of attorney for health care). **Your Durable Power of Attorney for Finances** A durable power of attorney ensures that someone you trust (called your "agent" or "attorney-in-fact") will be on hand to manage the many practical, financial tasks that will arise if you become incapacitated. For example, bills must be paid, bank deposits must be made and someone must handle insurance and benefits paperwork. In most cases, a durable power of attorney for finances is the best way to take care of tasks like these. **Your Final Arrangements Plan** a funeral or other ceremony and ease the burden on your loved ones. Describe your preferences for burial, cremation, memorials, obituaries, and more, and select someone to oversee your final arrangements. **Documents for Your Executor** Provide your executor with needed instructions, checklists, letters, notices, claim forms and more. **Information for Caregivers and Survivors** Organize your estate so that your survivors don't have to. Use these documents to give them information about everything from bank accounts to the names of people you'd like contacted in the event of your illness or death. **Letter to Survivors** Use this letter to leave a final message to your loved ones. You can explain the gifts you left in your will, leave advice, divulge secrets, suggest ways of splitting shared gifts, or any other thoughts you'd like to leave behind. **Personal Finance Documents** Over a dozen forms let you handle common financial situations, such as lending money to friends or family, creating a bill of sale, and closing a credit card account. **Home Family Documents** Practical forms you can use every day to help run your home and keep your family safe, including authorizations and agreements, promissory notes, limited powers of attorney, and child and elder care forms. * Estate planning documents not valid in Louisiana or U.S. Territories.
