**Jack P. Friedman Ph.D., Jack C. Harris Ph.D., Barry A. Diskin Ph.D. : Real Estate Handbook (Barron's Real Estate Handbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Estate Handbook (Barron's Real Estate Handbook):

0 of 0 people found the following review helpful. Very Good Info!By LCHThis book provides detail information from start to finish about the mechanics of selling and buying a home. It is a great reference tool although some of the information may have changed slightly due to technology, but the understanding of the process is still the same. The

seller was truthful in the description and condition and delivered before due date.0 of 0 people found the following review helpful. LikeBy Jacy HahnWill be a lot of help. It was what I expected1 of 1 people found the following review helpful. ExcellentBy Robert S. AlexanderThis is an excellent addition to a real estate library as a reference book. Lot's of good information. Updated and well laid out.

Virtually every aspect of real estate is covered in the latest edition of this encyclopedic volumea veritable goldmine of information for real estate agents and salespersons, for anybody buying or selling real estate, or for those considering real estate as a business investment. The book includes an up-to-date dictionary of more than 2,500 commercial and residential real estate terms with definitions, illustrative legal and financial forms, the most current information on mortgages and tax law, advice on buying and selling real properties, architectural styles and details, an overview of zoning regulations, and much more. Readers will also find newly updated quick-reference financial tables to help them figure mortgage payments for a wide range of interest rates and time periods. Line drawings illustrate architectural styles and details.

From Library JournalThis concise, single-source guide for real estate players includes a tersely worded but well-illustrated glossary of terms (making up half the book) and various payment and amortization tables. Home buyers and sellers, real estate investors, and individuals considering a real estate career are well served by this overview. Though not elaborate in detail, the text is a convenient initial reference. Revised to include the considerable changes brought about by the 1986 tax law, it is a valuable resource for all libraries. Joseph Barth, USMA Lib., West Point, N. Y. Copyright 1988 Reed Business Information, Inc. From the Back Cover [back cover] BARRONS REAL ESTATE HANDBOOK Sixth Edition You'll find these valuable features and more A Dictionary of Commercial and Residential Real Estate Terms Real Estate Forms and Worksheets Real Estate Organizations and Web Sites Real Estate Licensing Agencies Up-to-Date Information on Mortgages and Tax Law Advice on Buying and Selling Properties Architectural Styles General Overview of Zoning Regulations Careers in Real Estate Mortgage Payment Tables [front flap] BARRONS Real Estate HANDBOOK Sixth Edition Jack P. Friedman, Ph.D., MAI, CPA, CRE Jack C. Harris, Ph.D. and Barry A. Diskin, Ph.D., MAI Virtually every aspect of real estate is covered in the new sixth edition of this encyclopedic volume.
