James Karp, Elliott Klayman : Real Estate Law, Sixth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Estate Law, Sixth Edition:

1 of 1 people found the following review helpful. solid bookBy Computer UserFor a person with scientific training background who is contemplating real estate investments, this was an excellent book. It's my first book on the topic so it is difficult to compare it with others on the market. If you are looking for a solid, comprehensive, easy to read textbook (600pages), then I would highly recommend this book.0 of 0 people found the following review helpful. Great Book for Real EstateBy Dena MabryThe book is very informative. It covered all areas of Real Estate Law. Excellent book for paralegals or anyone breaking into this industry.2 of 2 people found the following review helpful. Used this text in my Masters of Science in Real EstateBy HoppaguyThe book is useful if you have no experience with real estate law. It presents real estate legal concepts in a logical manner breaking topics up into such things as easements, etc. However, much of the information is covered in the real estate law class if you have taken the California Salesperson exam.

This comprehensive survey of real estate law is known for its numerous learning aids and easy-to-understand writing style. Real Estate Law incorporates the latest legal trends, numerous case studies, and multiple features to stimulate classroom discussion and enhance material retention. Highlights: Student Study Guide CD-ROM with interactive case studies help students apply complex principles while giving adopters a platform for classroom assignments The Changing Landscape sections explore the future of real estate law Key terms with page references allow for quick review of important concepts

From Book News
The new edition of this text for real estate professionals is organized in six parts covering: the fundamentals, transferring, sale of ownership interests, financing, regulation of ownership interests, and leasehold interests and alternatives. Includes case examples, studies, and problems (indexed alphabetically and by subject), as well as review and discussion questions. Annotation copyright Book News, Inc. Portland, Or.
