Kathryn Haupt : Real Estate Principles before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Estate Principles:

0 of 0 people found the following review helpful. ReviewBy Thomas W BairdIm still readdyng it so far very good Real Estate info it contains what I want to know about real estate and pass the exam to get a license.0 of 0 people found the following review helpful. Five StarsBy eaxrodThis book was required for my real estate class. Lots of information, it became handy to me.0 of 0 people found the following review helpful. Well organized bookBy A-DubThis book was required for a class that I took. It was well organized and easy to look up information as needed.

Real Estate Principles provides a comprehensive overview of the theoretical and practical aspects of Real Estate. It serves as the textbook for the basic real estate courses required by state licensing agencies and it's also an excellent

reference book for the real estate professional, incorporating the latest legal trends and business practices. In addition, Real Estate Principles is an Ideal study guide for those preparing to take their real estate licensing exam. It offers a range of proven study aids, including: - chapter outlines, - illustrations and visual summaries, - boldface type to emphasize essential components, - chapter summaries, - a terminology section for each chapter, - chapter review quizzes with answers and explanations, and - a glossary that explains hundreds of real estate terms.
