**Barlow Burke : Real Estate Transactions, Third Edition (Examples Explanations Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Estate Transactions, Third Edition (Examples Explanations Series):

30 of 32 people found the following review helpful. Examples and Explanations: Real Estate: ReviewBy A CustomerAs a law student, I have often sought books which are willing to explain difficult material in the clearest terms possible. With most textbooks there is no hope. However, this Real Estate Examples and Explanations book was fantastic. It is written clearly and yet deals with some of the most complex material in real estate law. For persons seeking a grasp of the fundamentals of real estate law and finance, this book is of infinite value. For others seeking a more detailed analysis of complex real estate issues, this is a good starting off point. I would highly recommend this

text.

This highly regarded text earned its popularity by helping students build their confidence while they develop their skills. Beginning with the simple residential closing, *Examples Explanations: Real Estate Transactions, Fourth Edition*, leads students through progressively more complex transactions to reach a solid understanding of the area. The text clarifies the subject by: offering point-by-point instruction, practice, and feedback on the three main subjects of all real estate courses investment, mortgaging, and conveyancing presenting a broad overview of each topic, followed by examples, questions, and detailed answers covering business planning and investments, from commercial real estate to more sophisticated commercial transactions presenting material along the time line needed for students to understand the sequence of events applicable in any real estate transaction serving as an introduction to the participants and servicers of the transaction and to the financial benefits of investing New examples and explanations in the Fourth Edition reflect recent developments: financial planning and investment, for analyzing pro forma statements by real estate investors mezzanine financing, in line with the current discussion of junior mortgages LLC's and the amendments of the applicable Uniform Acts mechanics liens regulatory checks on terrorism activity and money
