*Recent Developments in Insurance Coverage Litigation* provides an authoritative, insider's perspective on best practices for representing and advising clients involved in insurance coverage disputes. Featuring partners and shareholders from some of the nation's leading law firms, these experts guide the reader through the key stages of the litigation process as they offer tips on reviewing policy language, addressing common legal issues, and staying up-to-date on recent trends. These top lawyers reveal their advice on negotiating general liability policies, navigating developments in DO insurance, and implementing creative litigation strategies based on current changes in the law. From understanding the increasing role of government agencies to meeting client expectations in light of the economic downturn, these authors explain how best to navigate national trends that tend to affect lawyers and their clients. Additionally, these leaders discuss the effects of the Gulf Coast oil spill on business interruption coverage. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating this ever-evolving area of law. *Inside the Minds* provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future.
