Karuti Kanyinga : Redistribution From Above: The Politics of Land Rights and Squatting in Coastal Kenya, Research Report No 115 (NAI Research Reports) before purchasing it in order to gage whether or not it would be worth my time, and all praised Redistribution From Above: The Politics of Land Rights and Squatting in Coastal

Kenya, Research Report No 115 (NAI Research Reports):

Using empirical evidence from the coastal district of Kenya, an area with a long history of private land ownership, this report challenges the key assumptions of the proponents of land individualization. The author points to the many dysfunctions associated with land privatization, and reinforces the growing critique that customary land tenure is far more complex and flexible than its critics are prepared to concede.
