Local Reaction: The Enactment and Effects of Local Growth Control and Management Measures in California before purchasing it in order to gage whether or not it would be worth my time, and all praised Regional Growth . . . Local Reaction: The Enactment and Effects of Local Growth Control and Management Measures in California:

This book summarizes how 443 of Californias cities and counties dealt with problems caused by rapid growth in the 1970s and 1980s. Maps, charts, and graphs illustrate the distribution of different types of growth control measures

throughout the state. This report is a valuable resource in light of changing social and economic conditions in the late 1990s and early 2000s.
