David Pierce, Ernest Gellhorn : Regulated Industries in a Nutshell (Nutshell Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Regulated Industries in a Nutshell (Nutshell Series):

0 of 0 people found the following review helpful. Good bookBy Sexyrazorback06Easy to read and very informative!!!!!! I would definitely recommend this book to anyone interested in the area of regulated industries.0 of 0 people found the following review helpful. A Keeper After Class is OverBy GretchenWonderful book for Energy Law.0 of 0 people found the following review helpful. so fast, receive it next day .By MadeleineNice and valuable. my

family need it , OK good product with high quality. It's a sharp and a very nice Chef product.

This authoritative guide presents the reasons behind industry regulation and the legal basis for it. Text discusses calculating rate base and rate of return, cost allocation, and rate design. Added attention is given to many of the new market-oriented forms of regulation, such as service unbundling, equal access to bottleneck facilities, competitive contracting, managed competition in health care, and incentive regulation.

About the Author Lyle T. Alverson Professor of Law, George Washington University Law School
